

SOMERSET COUNTY BOARD OF SOCIAL SERVICES

E. Joseph Kunzmann, Director
Dominic O. Crisall, Deputy Director

As a result of the federal designation of New Jersey as a disaster area, there will be a streamlined, disaster-specific application for the **Supplemental Nutritional Assistance Program (SNAP)** food benefits for New Jersey residents who experienced hurricane damage/loss that goes beyond the loss of food.

Somerset County residents who are not currently SNAP/Food Stamp recipients and suffered hurricane-related losses may apply for Disaster SNAP (DSNAP)/Food Stamp benefits. This is a one-time payment on an ATM-like card that can be used at grocery stores for certain food purchases. The application process will ease requirements around documents necessary to apply for DSNAP. To determine if residents are eligible for this benefit, allowable disaster expenses will be deducted from take-home pay and assets such as checking and savings accounts.

The Somerset County Board of Social Services will be accepting applications for Emergency SNAP (Food Stamps) Assistance at the following locations. Residents should apply at the location closest to their home on the day assigned for people **whose last names fall with the letters indicated below**. More information is available on the SNAP website: <http://www.njsnap.org>
